

Agenda

October 30, 2026

- | | |
|-------------------|---|
| 7:45 - 8:00a.m. | Registration and Log into Zoom |
| 8:00 - 8:30a.m. | Welcome – <i>Mallory Roberts, EdD, FADHA, RDH</i> |
| 8:30 -10:00a.m. | <p>Research & Scholarship – Oh My! Working it into your schedule – <i>Karen Morin, PhD, RN, ANEF, FAAN</i></p> <p>As the Professional Development Editor for the Journal of Advanced Nursing, the Journal of Clinical Nursing, and Nursing Open, Dr. Morin was instrumental in designing a professional development program for Early Career Researchers for the three journals. She continues to mentor early career authors in their writing efforts. The session will invigorate your passion for scholarship, apply practical strategies to enhance your scholarship legacy, and help you claim your unique scholarly contributions. Participants will leave inspired and equipped with practical ideas to spark greater engagement in research and scholarly activity for themselves and their students.</p> |
| 10:00 – 11:15a.m. | <p>Accessibility of Educational Materials - <i>Spence Farmer</i></p> <p>Participants will engage with real-world examples of accessible course design, educational materials, and instructional technologies, gaining practical tools and strategies they can immediately apply to create more accessible online learning experiences with greater confidence and efficiency.</p> |
| 11:15 - 12:00p.m. | <p>Navigating Difficult Conversations – <i>Maghan Bretz, PT, MPT</i></p> <p>This session will explore strategies for navigating challenging conversations with confidence, empathy, and professionalism. Participants will learn techniques for providing constructive feedback, maintaining psychological safety, and fostering growth while demonstrating the communication skills students will need throughout their own careers.</p> |
| 12:00 - 12:30p.m. | Lunch |

Agenda

October 30, 2026

- 12:30 – 2:00p.m. **The Hidden Curriculum: Resilience in Healthcare Education – *Stephanie Hiron, DNP, RN, LMHC, PMH-BC, NE-BC and Susie Schenk, LMHC, MBA***
Participants will explore strategies to support their own mental health while fostering psychologically safe learning environments. Attendees will leave with practical tools to promote wellness and resilience for both learners and educators.
- 2:00 – 2:30p.m. **Inspiring Educators Now and Into the Future – *Jennifer Embree, DNP, RN, NE-BC, CCNS, FAAN***
This session will explore the profound influence educators have on learners, patients, and the profession while highlighting strategies to reconnect with purpose, sustain resilience, and find fulfillment throughout a career in healthcare education. At the end of the session, the learner will reflect on their values, and identify what drives them to be their best selves.
- 2:30 – 2:45p.m. **Evaluation**
