

ARTICULATED PROGRAM AGREEMENT BETWEEN LOGAN UNIVERSITY AND UNIVERSITY OF SOUTHERN INDIANA

I. INTRODUCTION

Based upon a mutual respect for the integrity of parallel academic programs and in an effort to better serve students intending to pursue the chiropractic profession, Logan University (Logan) and University of Southern Indiana (USI) hereby enter into an agreement for an articulated program. This agreement will define coursework to be completed at USI for a student intending to matriculate at Logan, special terms of admission to Logan 3+3 Articulation Agreement (3+3 program), and special criteria for the awarding of the baccalaureate degree to participating students.

Objectives of the Agreement:

1. To attract qualified students to USI and Logan.
2. To facilitate the transition of students from USI to Logan.
3. To provide specific advisement for students of USI who intend to pursue professional study at Logan.
4. To encourage academic and administrative coordination between institutions and the exchange of evaluative information on the outcomes of the program with the goal of continual improvement.
5. To provide qualified students the opportunity to complete the baccalaureate degree and the Doctor of Chiropractic Degree in one less year than the normal time, i.e. 7 years.

II. ARTICULATION AGREEMENT

1. Under the provisions of this program, a 3+3 Program student will seek a Bachelor of Science degree at USI with a major in Exercise Science, will complete a minimum of 90 credit hours in coursework at USI (including all Core 39 requirements) and a minimum of 29 credit hours in Doctor of Chiropractic (DC) coursework at Logan.

☐ PYSO10202 Physiology I	4 Credit Hours
☐ ANAT10303 Anatomy III with Lab	4.5 Credit Hours
☐ PATH10301 Pathology I	4 Credit Hours
☐ PYSO10303 Physiology II	4 Credit Hours
TOTAL HOURS FROM LOGAN	29 Credit Hours

(Credit Hour = Carnegie Definition of 50 minutes = 1 credit hour)

For every subject required by Logan (either offered by USI or Logan), no grade below a C (2.0 on a 4.0 scale) will be accepted for credit in this articulated program. In addition, all 3+3 Program students must have earned a cumulative grade point average of at least 2.75 for the 90 credit hours at USI to be considered for admission.

2. In Logan's continued efforts to remain at the forefront of advanced, doctoral education, updates to courses may arise. Alternative courses may be considered for degree completion credit at the discretion of University of Southern Indiana.
3. While enrolled at USI, students will complete all required coursework as outlined above and described in the USI bulletin, including completion of Core 39. Students must log into myUSI to Apply to Graduate with their USI degree. If degree requirements will be completed in a spring or summer term, the deadline to apply is October 1 of the preceding fall term. If degree will be completed in the fall term, the deadline to apply is March 1 of the preceding spring term.
4. Students will complete an application to Logan eight months to a year in advance of their desired entrance date and will complete all required application procedures thereafter in a timely manner, including a personal statement of motivation, and submission of all official transcripts. Students applying to Logan's doctorate program under the 3+3 Program Agreement will qualify for their application fee to be waived.
5. Logan shall accept, for the entrance date of its choice, all students who successfully complete the courses outlined in this agreement and the minimum 90 credit hours with a cumulative GPA of 3.0 or higher and meet all other criteria for admission.
6. Students who earn less than a 3.0 GPA, but at least a 2.75 or higher, may be eligible for admission to Logan at the discretion of the Vice President of Admissions, and will receive appropriate consideration in the standard admissions process. Such students will not receive the assurance of a seat reserved for students earning a 3.0 or higher GPA and will be assessed under an alternative admission track.
7. Students are admitted to Logan only as first-year Doctor of Chiropractic (DC) students.
8. Upon completion of the required first-year Logan coursework listed above (unless exceptions are made as the result of curriculum changes), the students must request that an official transcript be sent from Logan to USI's Registrar Office. The student must contact the

Kinesiology and Sport department to initiate the form needed to be awarded twenty-nine (29) semester hours of special credit (in lieu of transfer credit from Logan). The 29 hours will count as general elective credit and be applied toward the 120 hours required for completion of the Bachelor of Science degree in Exercise Science at USI. All Logan coursework listed above must be completed in order for special credit to be awarded at USI. If a student does not complete all courses as prescribed, no credit will be awarded.

9. The acceptance of transfer credits or testing toward completion of degree requirements shall be governed by current policies of USI.
10. Students enrolled in the 3+3 Program who successfully complete all required coursework at Logan with no grade below a C (2.0 on a 4.0 scale) will be granted the Bachelor of Science degree with a major in Exercise Science from USI, provided they have met all other USI's graduation requirements, including a minimum of 120 credits.
11. Students shall pay the appropriate tuition and fees to each institution for all coursework taken at that institution. During their first year of study at Logan, students shall not be registered for courses at USI. Transcript requests made for Logan transcripts to be sent to USI will have their transcript fee waived.

III. MUTUAL PROMOTION AND STUDENT ADVISEMENT OF THE PROGRAM

Logan and USI agree to encourage qualified students to participate in this 3+3 Program through advisement and dissemination of information. The institutions agree to remain in contact with each other and apprise each other of any relevant changes to their institutions' curriculum or to the appointed advisor/faculty member assigned to oversee students attending under the 3+3 Program. The appointed advisor/faculty member for each institution will make every effort to:

1. Maintain a list of students actively pursuing the program with the intent to enroll under the 3+3 Program and keep each other informed of those students with the supplemental Application of Intent form.
2. Maintain regular communication with Logan to update on any changes to the appointed representative's contact information for the purpose of marketing on Logan's website.
3. Will provide Logan's assigned representatives with the opportunity to speak with students on campus in the format of a classroom presentation, club presentation, lunch n learn session, etc. at least 1 time during the academic calendar year for the purpose of meeting with students and for recruitment.
4. Care will be taken by USI to make students aware that some state boards of chiropractic may require completed baccalaureate degrees, PRIOR TO CHIROPRACTIC STUDY, and to advise students planning to practice in those states accordingly.
5. Both institutions agree to promote the 3+3 program in their recruitment activities; online and print marketing pieces; and to refer prospective students, when appropriate, to the other's admission office.

IV. CONTINUATION AND TERMINATION OF THE AGREEMENT

By signing, both institutions acknowledge that this agreement shall remain intact for 3 years unless stated, in writing, that the agreement is being terminated. After the 3-year period the agreement will either be updated or terminated. If terminated, both institutions will honor the

terms of the agreement until all students already admitted into Logan University are given the opportunity to complete the program in a timely manner and meet the terms in place.

If anything changes with this agreement for either institution. The necessary institution agrees to notify the other institution, and an updated agreement will be made to reflect the necessary changes.
